

Family Medicine Provider (Temporary PT)

SUMMARY

We are looking for a Family Medicine Physician or a Family Nurse Practitioner to do call-in work. The provider would be covering for staff Family Medicine providers who are on vacation, on medical leave, or who call out sick. Hours are dependent on coverage needs. The primary responsibility will be to provide patient care in a holistic and culturally sensitive manner, following the latest clinical guidelines and evidence based medicine, in a team-based, patient-centered approach. We are looking for a physician who can do the full scope of family medicine including adult health, pediatric health, and women's health.
